

Why Sparks Recruitment?

Are all recruitment companies the same?

What We Offer

- We can help you nationally and internationally to fill skills shortages
- We offer all forms of recruitment, except “spot hire”
- [Headhunting, direct placement, contract hire, fast-track, remote working. We believe the client should make the choice](#)
- We are European based but have global alliances in many markets providing flexibility
- You will interact with people that will strive to understand your business, many are from an industrial rather than an HR background

We Have All The Tools Available

SPARKS RECRUITMENT LIMITED
Your Need is our Job!

- Our beliefs and approach to recruitment are [holistic in nature](#)
- We believe in traditional recruitment techniques but with a [modern twist](#).
- We try to reach out appropriately, but every solution will be bespoke in some way. In our experience no two recruitment challenges are identical.
- We will strive to understand your business if you allow us the opportunity

USP's – Do We Have Any?

- We are not afraid to ask the hard questions to flush out the true recruitment need, if allowed to do so
- We are prepared to say NO if we feel we have inadequate information or the terms on offer to candidates are not competitive
- We consider ourselves to be forensic mechanics on job descriptions to make sure we have a total grasp of the skills required.
- We provide bespoke websites to help clients
- Individual approach for every client
- A team with many years of online/remote international recruitment

USP's Continued

- Our principal [website](#) offers a unique mix of interwoven support for employers and job seekers. By utilizing modern technology and introducing fresh innovative systems we are reducing skills shortages throughout the international marketplace
- Our international network of affiliates delivers entrepreneurial support in local markets
- You can reach out to us with the minimum of fuss with the simplest of market leading registration

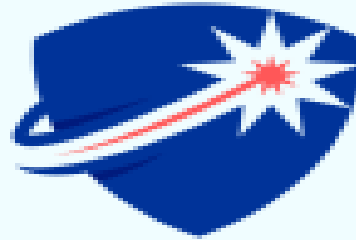

Believable?

- You will never know unless you give us a try
- Making contact is easy:
 - A Quick Enquiry through the [website](#)
 - Here you can provide your job description or email it over
 - From this our team will create unique adverts on our dedicated websites, job boards and across social media
